## CHAPTER 404-G INDIVIDUAL HEALTH INSURANCE MARKET

### Section 404-G:12

#### **404-G:12 Contingency. –**

I. Notwithstanding RSA 404-G:11, and if supported by the recommendations of actuarial experts retained by the department, the commissioner may request that the board of directors of the association develop a plan of operation to support the affordability and accessibility of health insurance in the state's individual health insurance market. The proposal may include resumption of a risk sharing program similar to that referenced in RSA 404-G:5, creation and operation of a reinsurance program, or such other program as the board finds will best support the availability and affordability of health insurance in the state and may also include the development of a waiver application under the Act. The commissioner shall approve the revised plan of operations if the commissioner finds that the plan will further the purpose of this chapter as stated in RSA 404-G:1, I, and is otherwise consistent with New Hampshire and federal law.

II. The board's proposal may include a recommendation that the state apply for a waiver under the Act, or any successor to the Act. If the approved plan includes an application for a waiver, the commissioner and the board shall proceed in accordance with RSA 420-N:6-a. If the waiver is approved by the federal government, the board shall prepare a revised plan of operations consistent with the terms of the waiver, and shall implement it upon approval by the commissioner.
