New Hampshire Individual Health Plan Benefit Association

Employer identification number 02-0499340

The Association was created pursuant to the order of the New Hampshire insurance commissioner with the purpose of supporting the State's individual health plan programs. The purpose of the Association is to protect the residents of New Hampshire who participate in the individual health insurance market by providing a mechanism to equitably distribute the excess risk associated with this market. The Association's membership consists, by statute, of all insurers licensed to transact health insurance in the State of New Hampshire that offer policies for major medical coverage of an expense-incurred basis and all licensed hospitals, medical service corporations, or other organizers, if any, in the state that offer subscriber contacts for major medical coverage.

Form 990 - Additional Information

In its 2019 session, the New Hampshire Legislature amended Section 12

of the New Hampshire Revised Statutes annotated to permit the insurance
commissioner, if supported by the recommendation of actuarial experts,
to request that the Association propose a plan of operation for risk
sharing program, reinsurance program, or other program that will best
support the availability and affordability of the individual insurance
market in the State. Pursuant to the 2019 statutory amendments and
based on the report of his actuarial experts, the insurance
commissioner issued an order on February 25, 2020 requiring the
Association to assess and develop a proposal for a reinsurance program
with support of federal funding in the form of shared savings under a

In response to the insurance commissioner's order, the Association engaged its management team, in consultation with experts and legal counsel and the insurance commissioner, to review the actuarial analysis and determine the components of a proposed state market stabilization program and its anticipated costs and operational procedures and to develop a related Section 1332 waiver application. To document its proposed program pursuant to Section 12 of this statute, the Association adopted a second amendment to its restarted plan on March 11, 2020. During 2020, all of the conditions to the implementation of the proposed program known as the "New Hampshire Reinsurance Program" (The "Reinsurance Program") were met, including approval by the US Department of Health and Human Services and the US Department of the Treasury of the State's Section 1332 waiver application and its projected "pass-through savings." On September 30,2020, the insurance of commissioner issued a supplemental order directing that the Association, as administrator of the reinsurance program, receive the federal grant monies under the Section 1332 waiver. The Association adopted a third amendment to its restarted plan on October 20, 2020, which allows and directs the Association to become the grantee of record under the Section 1332 waiver.

The reinsurance program commenced operation on January 1, 2021, and is administered by the Association on behalf of the New Hampshire

Department of Insurance. The Reinsurance program reimburses issuers who offer comprehensive, major medical plans in New Hampshire's individual market that are part of the single-risk pool. Payments to carriers are
