Re: New Hampshire Health Plan - Year 2027 Assessment Levels

Dear Commissioner Bettencourt:

I am writing on behalf of the New Hampshire Health Plan ("NHHP") board of directors ("Board"), to request your approval of the assessments that NHHP will be administering in calendar year 2027. The first is for the support of the New Hampshire Granite Advantage Health Care Program under NH RSA 126-AA and that rate is \$3.68 PMPM. The second assessment is for the New Hampshire Reinsurance Program supported by a Section 1332 Medicaid Waiver and the proposed 2027 rate for that assessment is \$2.88 PMPM.

The Board voted unanimously to set the assessments at these levels, subject to your approval, at its October 08, 2026, meeting. The Board did not change the policy to waive the collection of any assessment (i.e. set the assessment at zero dollars) for any carrier whose total assessment, otherwise calculated, would result in a remittance of less than \$10.00 in any given calendar quarter.

For the Granite Advantage Health Care Program, the assessment was established in accordance with the process described in the Second Amended and Restated Plan of Operation and Termination of NHHP, as further amended by a First Amendment (the "Amended NHHP Plan of Operation"). The information used to calculate the assessment was based on the August 05, 2026 "Remainder Amount" letter from DHHS Commissioner Lori A. Weaver. Relative to the 1332 Waiver Program, the 2027 assessment rate of \$2.88 is consistent with Section III:G of the Amended NHHP Plan of Operation.

Ms. Brenda Golden Hallisey, of your staff, participated in the rate-setting meetings and is fully aware of the background of these assessment recommendations.

For NHHP to be able to mail 2027 Assessment notices to carriers by November 1, we would ask you to advise us as to the acceptability of these recommendations at your earliest convenience. If you approve the

recommended 2027 assessment levels, kindly sign below and return a copy of this letter to me. We will then notify the carriers.

Very truly yours,

NEW HAMPSHIRE HEALTH PLAN
